## BRITISH ARMY APPRENTICESHIPS

LCpl Skipp

“The highlight of my apprenticeship consists of many things, such as the Networking Engineering skills I developed, and the friends I made along the way. Even though they have moved on to different career paths, we keep in contact as if we never left. The work itself felt fulfilling; we had a purpose, and the tasks we completed had a real impact on what we did for the Army.”

- LCpl Skipp - Network Engineer
